There is one word spelled wrong in every English dictionary. What is it?

DOR NEWS

BCL SG's DOR Student Services department offers opportunities that support students between ages 16-21 in exploring and preparing for the world of work. Students who participate qualify for paid work experience onsite where they will learn Job Exploration, Postsecondary Counseling, Skills for Work, Self-Advocacy & more! Those who complete the program are then placed into an entry-level position with a partnering organization!

Hey Seniors!

Want to join a summer boot camp?

You will have the opportunity to learn about Mt. SAC and what services are available.

Stop by the administrative office to learn more about this opportunity and see if you are eligible. Flyers will be available. **It will take place on April 10 and 11.**

MENTAL HEALTH CORNER

Here is a gentle reminder that as spring break approaches, give yourself time to relax. It's very important to listen to your body, step back, relax, and recharge your mind! Here are a couple of suggestions: go outside for a walk; enjoy your favorite meal; find time to meditate; talk to someone; have some reflection time; or do something creative! We can't wait to see you all back from break.

Rest assured, this is all completely normal but if parents would like for staff to help support with any challenges related to testing or have their child be exempt from having to take it, please call the front office and speak with Ms. Kwon and Ms. Morgan so we can help! 🌟
